DETAILED ACTION

Allowable Subject Matter

1. Claims 1-36 and 39-41 are allowed.
2. The following is an examiner's statement of reasons for allowance:

The primary reason for indication of allowability of claims 1-36 and 39-41 is the inclusion therein of the limitation that of a doped wide bandgap layer having an array of wide bandgap doped regions, as opposed to the prior art that shows an array of discontinuous narrow band gap material in a layer of wide band gap material. This limitation is neither thought nor disclosed by the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
